Mobile Writing Boards

KALBOARD®
Educational, Visual & Business Aids Producers

You have no space and still need a writing surface?! Go for KALBOARD mobile writing boards
The portable solution that is ideal for tight space such as; lecture rooms, labs, and training rooms

Features

- Double-sided, scratch-resistant magnetic writing surface with a life-time warranty
- Portable and can be easily moved from one place to another with its casters
- Stands firmly in place during writing due to brakes on the casters
- An ideal solution for rooms in which it's difficult to place a wall-mounted board
